Invitation til Nye Elevers Dag 22. maj 2022

Kære kommende elev og familie

Vi sender hermed invitation til Nye Elevers Dag. Vi glæder os til at møde dig og dine forældre til en hyggelig dag, hvor vi vil forberede jer på det kommende skoleår.

Programmet for dagen er tilrettelagt så I, der kommer langvejs fra har mulighed for at nå frem og tilbage samme dag. Derfor starter vi med individuelle samtaler med kontaktlæreren og følger op med en stor fællessamling, inden vi går videre til kontaktgruppemøder og forældreorientering. I løbet af uge 18 og 19 vil kontaktlæreren ringe / skrive til jer og aftale en tid for den individuelle samtale. Hvis I er forhindrede i at deltage, vil vi gerne have besked på info@ranumefterskole.dk eller på tlf. 96664400. Vi optager de fælles oplæg på video til jer, der ikke har mulighed for at deltage på dagen.

Der er vigtigt, at I har udfyldt alle informationer på Skoleplan, samt lavet valg af fag.

I skal nu have udfyldt alle personlige oplysninger på Skoleplan, digitalt underskrevet Tilladelser, Skolekontrakt, samt uploadet pas-kopi.

I skal desuden have udfyldt faglige fag, valgfag (10. årg.), Aktivitetsfag og Profilfag 1. periode inden den 23. marts. Vi skal bruge disse informationer til at lave det bedste skoleår for jer!

Vi glæder os til at se jer!

Med venlig hilsen

Invitation to New Students Day 22nd May, 2022

Dear coming student and parents!

We hereby send an invitation to New Students Day. We look forward to meeting you and your parents for a pleasant day where we will prepare you for the coming school year.

The programme for the New Students Day is organised in such a way that people coming from far away can still drive back and forth on the same day. Therefore, we will start with an individual meeting with the contact teacher, followed by an assembly for all. We will then move on to meetings in contact groups for the students and an orientation meeting for the parents. During weeks 18 and 19, your contact teacher will call/write to you and make an appointment for the individual meeting. If you are unable to participate, we would like to be notified on info@ranumefterskole.dk or via telephone: +45 96664400. Rest assured, we will be recording the orientation meetings for those of you who do not have the opportunity to participate on the day.

It is important that you have filled in all of your personal information on Skoleplan, as well as made your subject choices for the coming year. The personal information to be entered into Skoleplan includes digitally signed permits, the school contract, as well as a copy of your passport for travel purposes. You must also have chosen your academic class and subjects choices, as well as your Activity Subjects and Profile subjects for the first period of the school year before the 23rd March. We need this information in order to begin planning the coming year.

We look forward to seeing you!
