How to pay for at stay at the Ranum Bubble for Stranded UWC Students.

Cost of stay

The cost of staying at the Ranum Bubble is DKR11,000 (ca. EUR1,480 or USD1,738) for four weeks. The stay is pre-paid in lots of four weeks.

Initial four weeks

- Minimum stay at the Bubble is two weeks.
- The student must serve one week's prior written notice in case the student wants to leave the Bubble before the four-week period expires.
- In case a student wants to leave the Bubble early within the initial four-week period, DKR2,750 (the cost of one week's stay) will be charged in addition to recover admin costs.

Subsequent blocks of four weeks

- To prolong a stay at the Bubble the student must inform of this intent in writing latest two weeks before the four-week pre-paid period expires.
- If the student requires financial assistance to remain at the Bubble, the student must inform the Ranum Bubble Selection Committee of this latest two weeks before the paid stay comes to an end. The Ranum Bubble Selection Committee will work with the student to try and find the required funds for the student to stay on. There is no guarantee that the Ranum Bubble Selection Committee will be able to do so, even if it has offered financial assistance to the student to pay for previous four-week periods.
- Finally, latest one week before the current four-week period expires, the student must prepay the student's self-financing contribution for the next four-week period. Only when all this is done, has the stay been prolonged.

If a student cannot continue to pay for his/her stay at the Bubble, the student will be asked to leave Ranum Efterskole College on the last day of the paid-up period.
